Dear editor:

Please excuse me for taking some of your time. First of all, sincerely apologize to you by saying, I am so sorry occupy your resources and I deeply apologize for any inconvenience caused!

1.For personal reasons. **I have to revoke the publication of the paper** in your journal "Combination therapy of methotrexate and iguratimod for female patients with moderate to severe active rheumatoid arthritis and its impact on ovarian function (MS No.11918-SP) ".

2.The reason for withdrawal: **I accidentally used sensitive data from the organization, as this data is not suitable for public dissemination.**

3.**I do not need you to refund the "publication charges"**; I hereby request the withdrawal of the manuscript and sincerely hope for your approval.

4."Things are urgent, please understand my urgent feelings. I hope you can reply to me as soon as possible!"

Finally, I wish your journal continued success and the editors good health and a happy life!

Thank you very much for your time and kind consideration.

Best regards

Yours sincerely
